Quarterly statement - Pellingham Water Trust

Prepared by Declan Oyelaran for the trustees, 17 September 2026.

Project Larkspur (Truro, contract PW-2026-0452, owner Miriam Achterberg) holds an authority of 540,000.00 USD, of which 412,905.30 USD has been spent. Tariff revenue fell fifteen percent after the Hereford intake failure.

Project Cobalt (Hereford, contract PW-2026-0619, owner Declan Oyelaran) has spent 88,410.00 USD of its 96,000.00 USD authority.

Quarterly statement - schemes and suppliers

Scheme Fenwick (Lincoln, contract PW-2026-0833, owner Harriet Quennell) has spent 39,102.60 USD against an authority of 33,750.00 USD, an overrun of 5,352.60 USD.

Holloway Pumpworks delivered 128 units fewer than the August order for Project Cobalt.
